
APE-ENGLISH DICTIONARY

Apes have a language that they taught Tarzan when he was a child, and Tarzan, so the story goes, passed it along to John M. Bennett in exchange for succulent grubs and berries. That is what John M. Bennett says, and he should know. Many of the terms are translatable into English and are used in the John M. Bennett books. Here is a list of ape words and their English meanings.

amba ankle soap loss means nothing to us apes

b'wang these bananas sure beat the hell out of stray fungus hat
b'zee these bananas sure beat the hell out of blub heap mist

dan-do signal shadow bleach slug fortress, if you ask me

eho-nala these bananas sure beat the hell out of wrist lactive show
eta-go a flop house, pretending to be a tree house
eta-gogo same thing, only with a faucet

gando white devil's sick feet make tasty boot syrup

ho-wa-usha solid cluster ants ahead (*alt*: solid cluster ants still pursuing, hiding in shawl, filing lawsuit, etc.)

jabo strong cut slab put long cramped nope back in dread loop puce, unless I've gone off my rocker

kagoda? Do you limp?
kagoda! I do limp!

litu these bananas sure beat the hell out of gnat soup

meeta heave slap bash clap

neeta clap bash slap heave

pisah (pretty much what it sounds like)

rak! quick! use mate for shield!
rye-balu-dan ouch
rye-dan-bobo black onions less hopping equal paltry binge, in a sense

sopu popular song, i.e.: "Ram lump throat stoop crack,
Oh, dat fat isolation gas,
Gets 'em every time!
Gets 'em every, single time!"

tav? What's a brass couch doing here?

ud spew (pending ass thumb)
ug must sink bush moon, must sink bush moon and hyssop
unga! hark! sound of many feet coming for nuts, and vice versa

voo-voo some enchanted evening you will meet a stranger . . .

whuff itch bee rumble lope stamp a little more quietly please, we're trying to sleep in here

zu-vo these bananas sure beat the hell out of zu-vo

(from 8.21)

Sot one

gun shit bliss fungus hat
plank bin slip bit lung
pluck ship brink paste hoop
map brim lip stray leaver
shim boot cusp drat talks
gnat heave soup mould drinking
slab beam note bust table
sank reach ankle soap loss
thummed pistil hoof must cave
drab nickle groan nap seep
wrist clap user speed bash
fought wall blast mist shouter Cont. on p. 4

FROM WHENCE THE TRANCE SHAWL

fog ouch side bone stool
reminds me of the stage that
used to run between
Niagra Falls and Tombstone

some feels slime some feels
whole mouse lung sounds like a
perfect joke about
finding opportunities in today's army

I don't know about you but
brew heave leaf whole foot
makes me think of the all-time
worst nature guide, just as

bees snore hog lamb roof
got to be how it was to have
met St. Ambrose, and dead walked
the greatest infomercial of all time

unless it was gun shit bliss fungus hat
at the white house

(from 8.21)

Slab

blub heap mist cap sinks
